# MARYLAND DEPARTMENT OF HEALTH

6500 Employees -- 24 Local Health Departments

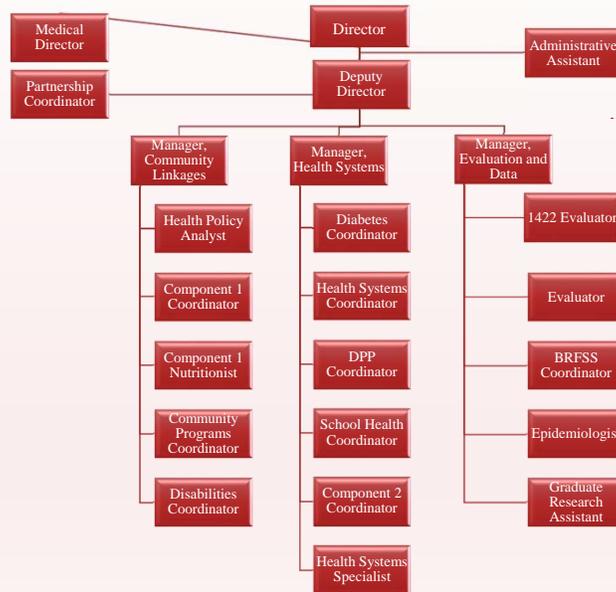

**PHPA Mission:** to protect, promote and improve the health and well-being of all Marylanders and their families through the provision of public health leadership and community-based public health efforts in partnership with local health departments, providers, community-based organizations, and public and private sector agencies, giving special attention to at-risk and vulnerable populations.

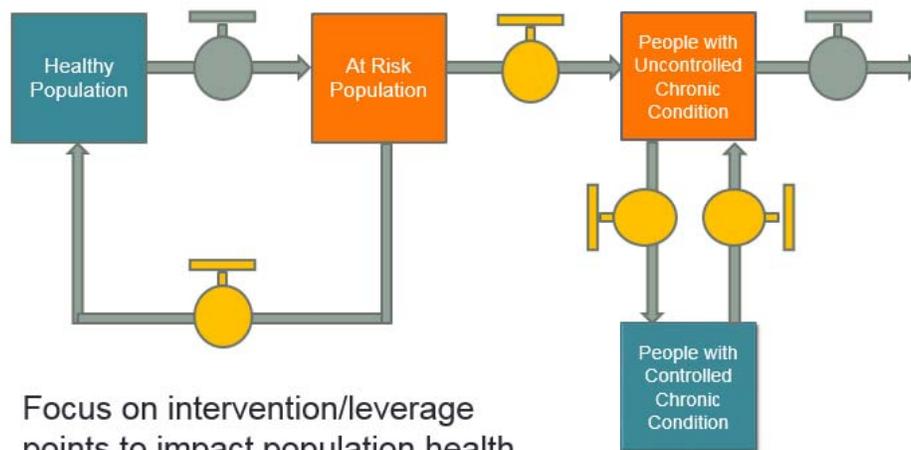

**PHPA Vision:** a future in which all Marylanders and their families enjoy optimal health and well-being.
